

# Clark College is in Ridgefield!

Clark College's new location the Advanced Manufacturing Center at Boschma Farms is ready for you to take classes close to home. This location will feature a **new program** in Advanced Manufacturing, as well as offer for-credit and non-credit general education classes.

Close to I-5 and public transit, on-site parking with EV stations, indoor bike lockers, ample study space, computer lab, and classrooms—this location has all you need to access the quality education of Clark College in Ridgefield.

## Advanced Manufacturing

Featuring a modern state-of-the-art manufacturing lab, we are offering three pathways to get you career-ready.

Intro to Manufacturing (CA)  
Manufacturing Operator (CP)  
Integrated Technician (AAT)

**Advanced Manufacturing Center**  
Clark College at Boschma Farms  
7000 Pioneer Street  
Ridgefield, WA 98642

## General Education

Take a for-credit class to get you closer towards earning a degree or certificate. Look for classes in the class schedule at [www.clark.edu](http://www.clark.edu).

## Community Education

Non-credit offerings from Community and Continuing Education at [www.clark.edu/cce](http://www.clark.edu/cce). Visit the class schedule and look for "classes in Ridgefield"
