Outbuilding and travel trailer destroyed in fire

WASHOUGAL, WA-Just after 5:30 PM on January 31, 2025, East County Fire and Rescue (ECFR) was dispatched to a report of an outbuilding fire at 34909 SE 20th Street in Washougal.

The first arriving company located a 20' x 40' shed containing a travel trailer completely involved in fire. Due to the extent of the fire, a defensive strategy was used to confine the fire to the involved structure and travel trailer. Initial response to this incident involved four fire engines, three water tenders, and three command officers from East County Fire and Rescue, Camas Washougal Fire Department, and Vancouver Fire Department.

The travel trailer was occupied at the time of the fire. The occupants escaped and were uninjured, but two dogs and a cat died in the fire with another dog and cat unaccounted for. The fire is under investigation by the Clark County Fire Marshal's Office.

East County Fire and Rescue

East County Fire and Rescue provides fire and life safety services to roughly 10,500 people over 60 square miles in southeast Clark County north and east of the Cities of Camas and Washougal. We are a combination full-time, part-time, and volunteer-staffed fire district responding to an average of 1,100 calls a year on both sides of the Washougal River.
