Eugene Man Accused of Damaging Federal Government Property

EUGENE, Ore.— Kielan Robert Eugene Fitzsimonds, 33, of Eugene has been charged with willful depredation of government property for breaking the window of a federal government vehicle.

According to court documents, on June 8, 2025, Fitzsimonds is alleged to have intentionally thrown rocks at a U.S. Department of Homeland Security (DHS) vehicle parked at a federal building in Eugene. The rocks shattered the vehicle's back window and dented its trunk and hood.

On June 10, 2025, a federal agent discovered the damaged vehicle and found a large rock in the back seat. Investigators obtained surveillance footage from the building which showed a man, later identified as Fitzsimonds, attempting to enter the building and throwing objects at vehicles in the parking lot.

Fitzsimonds made his first appearance in federal court today before a U.S. Magistrate Judge. He was ordered detained pending further court proceedings.

The case is being investigated by the FBI with assistance from the Eugene Police Department. It is being prosecuted by the U.S. Attorney's Office for the District of Oregon.

A criminal complaint is only an accusation of a crime, and a defendant is presumed innocent unless and until proven guilty.
