FELIPE MANDUJANO-CARDONA SENTENCED TO 20 YEARS IN PRISON

HILLSBORO, Ore- On September 19, 2025, a Washington County jury found Felipe Mandujano-Cardona, age 52, guilty of five counts of sexual abuse in the first degree, luring a minor, and two counts of invasion of privacy. On October 1, 2025, Judge Hafez Daraee sentenced the defendant to 240 months in prison. Senior Deputy District Attorney Chris Lewman prosecuted this case.

The defendant sexually abused two victims who were under 10 years of age. The first victim was subjected to abuse multiple times over a period of several years. The first victim disclosed the abuse in 2015, which prompted the Hillsboro Police Department and the Oregon Department of Human Services to investigate. The defendant fled the area upon learning of this investigation. A warrant for his arrest was secured. The second victim was similarly subjected to abuse during the 2015 timeframe. She disclosed to a mandatory reporter in 2023. Hillsboro police launched another investigation and arrested the defendant on both cases.

The Washington County District Attorney's Office commends the victims for having the courage to come forward. This office also acknowledges the work of the Hillsboro Police Department and DHS on these cases.

In addition to his prison sentence, the defendant is required to register as a sex offender and to serve 10 years of post-prison supervision following the completion of his sentence.
