Wapato Public Schools “Registration Round-Up”

Wapato Public Schools is taking a road trip in an effort to make it easier for families to register their students for next school year (2026-2027). On the afternoon of Wednesday, May 13, the District will take one of its school buses, load it up with the necessary materials and staff to take care of your registration needs, and head down the road to the International Market parking lot in Wapato. The market is located at 512 W. 1st Street in Wapato.

Wapato families who still need to register their students for the District’s Preschool, Transitional Kindergarten and/or Kindergarten for the 2026-2027 school year can stop by the school bus on Wednesday, May 13, between 2:00 and 7:00 p.m. and get it taken care of.

Families will need to bring proof of residence (e.g utility bill), their child’s current immunization record and their birth certificate or other proof of age documentation to complete the registration process.

If families are not able to make it out to the registration roundup at International Market, they can take care of their student registration needs for the 2026-2027 school year online by going to the District’s website at www.wapatosd.org and clicking on the “Enrollment” button or they can stop by the Simcoe Elementary School office during business hours.
